Hi Doug,

It turns out I am working today after all.

Could you please send me the list of Class III permit limits you referenced below in your email? I think it would be helpful to inform our discussion on Monday.

Thanks and have a great weekend,

Thanks Elise: let's plan to talk on Monday when I will have both Valois and Rick available for a call. If you plan to have your legal counsel on the phone, please let me know so we can invite our attorney (Lucita) as well.

Right now, our schedules are open from 10 am to 1 pm MDT on Monday. We could also meet between 1:30 and 2:30 pm MDT if the morning does not work for you.

Ex. 5 Deliberative Process (DP)

Also, we would be happy to provide you with a list of our Class III permit limits which may help inform our discussion. Just let me know.

Thanks and we look forward to finalizing the agenda with you on Monday,

Douglas

Hi Doug,

Thanks. Please let us know when you would like to meet. I am in the office today, but I am out tomorrow.

Perhaps we could arrange something for Monday, given that the high level meeting is now set for next Thursday afternoon.

Thanks,
Elise

Hi Doug,

Bill is out of the office for a few days. My management has asked me to contact you get your initial thoughts on alignment on the revised point A, concerning restoration groundwater protection standards, in the agenda we sent to you yesterday.

Could you please give me a call today at Ex. 6 Personal Privacy (PP) to discuss? If needed, we can arrange an additional call with other participants.

Thanks,
Elise
